

## A PASSION FOR STEEL

Patz brings precision and passion to steel services. Our long-standing partnerships with the best Western European steel mills and decades of experience in producing surface-treated COILS, SLIT STRIPS, SMALL COILS, SHEETS, PLATES and DIMENSION PIECES are the keys to your success.

Certified according to DIN EN ISO 9001:2008 and OHSAS 18001:2007.

Surface-treated, painted strips, sheets and plates

WE BRING A TOUCH OF  
COLOUR TO THE MARKET
